EXPERIENCE

Interior Design Intern

Design Alternatives - Toms River, NJ
August, 2016 - December, 2016

Assist in the design development of commercial projects, including selecting materials and finishes, and preparing presentations. Assist in daily administrative duties such as receiving and placing orders, updating material library, and communicating with sales reps and vendors.

Visual Stylist

JC Penney - Freehold, NJ
July 2014 - December 2014

Assess floor layouts, areas of high traffic, and display points. Decide what is to be displayed and how. Create and assemble in-store displays of merchandise, signage, and props according to theme and/or in-store promotions. Style mannequins & forms. Work with fixtures and store layout to maximize available selling space. Adjust lighting fixtures to highlight the best possible display of merchandise.

Assistant to Interior Designer

Sweet Pea- Spring Lake, NJ
January 2014 - May, 2014

Communicate with designer, vendors, sales reps, and clients on a daily basis to complete design projects and custom furniture orders. Communicate with shipping companies for deliveries. Manage billing. Order merchandise for the retail store. Organize and keep stock of product samples. Key holder of the store. Create in-store and window merchandise displays for the retail space.
